

## Appliqué Fun Aprons – stitching instructions

Design sequence info (changes, stops e.t.c):

1. Thread your embroidery machine with the first embroidery color (blue).\*
2. Embroider the Placement Stitching to see where to insert your appliqué fabric.
3. Insert appliqué fabric.
4. Keep same thread color.
5. Embroidery the Applique Double Stitch to hold the appliqué fabric in place.
6. Remove hoop and trim close to the double stitch.
7. Replace hoop and stitch the first embroidery color.
8. Follow the color blocks for the rest of the design.

\*The Apron Design is digitized with color stops to cue you as to where to place and stitch your appliqué fabric. You can change colors as directed by the design or you can thread your embroidery machine with the first embroidery color (blue) and leave this in until the yellow color block is shown in the Design sequence info above.
