

# Creative DRAWings®

## Where Creative Magic Begins...

With Creative DRAWings® create original embroidery designs within seconds using freehand, Bezier and outline tools. Edit existing embroidery designs. Add text with path placement and so much more. Creative DRAWings® empowers you to easily create original machine embroidery designs. Start with a simple line. Add curves, colors and patterns and your creative magic creates masterpieces. Creative DRAWings® is easy to learn and easy to use. With only a few minutes of hands-on instruction, it is possible for anyone – regardless of skill level – to produce a high-quality design clean of wild stitches and ready to stitch. Almost any clipart or photo can be imported and be instantly converted into a flawless embroidery file. Creative DRAWings® is not static software which just converts images to stitches. The revolutionary and professional DRAWstitch® technology is incorporated into Creative DRAWings® to work miracles almost as fast as the blink of an eye.

Experience Creative DRAWings®!  
Share the fun with your friends!
